

GVHC HIKE SCHEDULING PARAMETERS

1. Hikes are scheduled first come first serve following the parameters below.
2. Hikes should be a minimum of three miles in length.
3. The majority of hikes are between 4-6 miles in length.
4. We try to have hikes that are on the same day be as varied as possible; for example a moderate hike opposite a strenuous hike.
5. We try to have hikes not repeated within a month's schedule.

GVHC HIKE SCHEDULING SOLICITATION PROCEDURE

1. Hike requests are emailed to leaders approximately 5 weeks before the two-month next two-month begins. For example, send out an email around November 22 to fill January/February schedules.
2. Follow-up emails are sent to individual hike leaders as needed to remind them to sign up.
3. Group emails are sent to update leaders with attached schedules.
4. Final email is sent out with completed schedules to the hike leaders.
